To the Board of Directors and Stockholder
MAFG RIA Services, Inc.
Mt. Laurel, New Jersey

We have audited the accompanying statement of financial condition of MAFG RIA Services, Inc. (a New Jersey S Corporation) as of December 31, 2007, and the related statements of income, changes in stockholder's equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MAFG RIA Services, Inc. at December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basis financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

MAFG RIA SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

This summary of significant accounting policies of MAFG RIA Services, Inc. ("the Company") is presented to assist in understanding the Company's financial statements. The financial statements and accompanying notes are representations of the Company's management, who are also responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Business Activity

The Company is a wholly-owned subsidiary of MAFG, Inc. ("the Parent Company"). The Company is engaged primarily in the brokerage, strategic planning and investment advisory business.

Concentration of Credit Risk

The Company maintains its checking accounts with several banks. Accounts at each bank are insured by the Federal Deposit Insurance Corporation up to \$100,000. At times, cash balances with the banks may exceed insurable limits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Receivables from Non-Customers

Receivables from non-customers are recorded at the amount the Company expects to collect on balances outstanding at year-end. Management closely monitors outstanding balances and writes off, as of year-end, all balances that they anticipate they will not collect as of the time the financial statements are issued.

There was no bad debt expense charged to operations for the year ended December 31, 2007.

Income taxes

The Company, an S corporation, is not a taxpaying entity for federal and state income tax purposes, and thus, no income tax expense has been recorded in the financial statements. Income from the Company is taxed to the stockholder on its tax return.

The State of New Jersey maintains a minimum or surcharge tax for S corporations. The amount is included in Taxes - other.

MAFG RIA SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

2. Deposit with Clearing Organization

The Company has \$370 on deposit with a broker-dealer clearing organization at December 31, 2007.

3. Net Capital Requirements

The Company is subject to the Securities & Exchange Commission Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2007, the Company had net capital of \$63,034, which was \$58,034 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.11 to 1.

4. Exemptive Provision

The Company claims an exemption under (k)(1) of SEC Rule 15c3-3. All customer transactions are cleared through another broker-dealer on a fully disclosed basis.

5. Liabilities Subordinated to Claims of General Creditors

The Company issued subordinated notes due to the Parent Company of \$150,000 with interest at 8.5%. The subordinated borrowings are available in computing net capital under the SEC's uniform net capital rule. To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid. The full amount is due January 31, 2010.

6. Related Party Transactions

The Company paid management fees of \$713,074 to an affiliate for management advisory, consulting and administrative support services provided for the year ended December 31, 2007.

Due from affiliate represents advances made to the Parent Company. The balance was \$2,433,029 at December 31, 2007. The note is due on demand and interest is charged at the Applicable Federal Rate.

To the Board of Directors and Stockholders
MAFG RIA Services, Inc.
Mt. Laurel, New Jersey

In planning and performing our audit of the financial statements and supplementary schedule of MAFG RIA Services, Inc. (the Company) as of and for the year ended December 31, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control structure over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing an opinion on the Company's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company. This study included such practices and procedures that we considered relevant to the objectives stated in Rule 17-a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

323 Norristown Road	11000 Lincoln Drive West

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures as described in the second paragraph of this report were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors and stockholders, management, the SEC, NASDAQ, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
